Description

Alstom offers a dynamic and enriching internship program designed to provide students with hands-on experience and exposure to the world of rail transport and sustainable mobility solutions. As an intern at Alstom, you'll have the opportunity to work alongside industry experts, collaborate on exciting projects, and contribute to innovations that redefine the future of transportation.

Responsibilities

- Assist in various project tasks under the guidance of experienced professionals.
- Conduct research, analyze data, and contribute to project reports.
- Participate in team meetings, brainstorming sessions, and workshops.
- Support the development and implementation of engineering solutions.
- Contribute fresh perspectives and ideas to ongoing initiatives.
- Collaborate with cross-functional teams to achieve project milestones.

Qualifications

- Pursuing a degree in engineering, transportation, business, or related fields.
- Strong academic performance and a passion for innovation.
- Excellent communication and teamwork skills.
- Ability to adapt quickly to new challenges and work in a fast-paced environment.
- Proficiency in relevant software tools and applications.

Job Benefits

- Mentorship from industry professionals.
- Exposure to cutting-edge technologies and projects.
- Networking opportunities within the transportation sector.
- Hands-on experience in a global, multicultural work environment.
- Potential for future career opportunities within Alstom.

Contacts

Interested candidates should submit their resume and cover letter highlighting their interest in the transportation industry and why they wish to intern at Alstom. Successful applicants will be contacted for interviews.

At Alstom, we believe in nurturing talent and providing a platform for growth and development. Join us on our journey to shape the future of mobility through innovation and sustainable solutions.
