FINTRAC Internships 2026 New Hiring

Description

FINTRAC offers an exciting internship program designed to provide hands-on experience and exposure to the world of financial intelligence and compliance. As an intern at FINTRAC, you will have the opportunity to work alongside experienced professionals in a dynamic and supportive environment. This internship is an excellent opportunity for students or recent graduates interested in gaining practical skills in financial analysis, intelligence gathering, and regulatory compliance within the context of Canada's national security framework.

Responsibilities

- Conduct analysis of financial transactions and related reports to identify potential instances of money laundering or terrorist financing.
- Assist in the assessment and verification of financial data, ensuring accuracy and compliance with regulatory standards.
- Support the development of intelligence reports and contribute to the generation of actionable insights for law enforcement and government agencies.
- Collaborate with cross-functional teams to contribute to ongoing projects and initiatives aimed at enhancing financial security and combating financial crime.
- Stay updated on relevant legislation, regulations, and industry trends related to financial intelligence and reporting.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program OR recent graduate (within 1-2 years) in fields such as Finance, Economics, Criminology, Intelligence Analysis, or related disciplines.
- Strong analytical skills with the ability to interpret and synthesize complex financial data.
- Excellent communication skills, both written and verbal, with the ability to articulate findings and insights effectively.
- Knowledge or interest in financial regulations, anti-money laundering (AML), and counter-terrorist financing (CTF) measures is an asset.
- Proficiency in data analysis tools and software is desirable.
- Ability to work independently and collaboratively in a fast-paced environment.

Job Benefits

The internship duration typically ranges from 3 to 12 months, depending on the specific program and candidate availability. Interns will receive mentorship, training, and exposure to real-world scenarios in the field of financial intelligence. This opportunity may also lead to potential career advancement or future employment opportunities within FINTRAC.
