Description

Hamilton Health Sciences (HHS) is a leading healthcare organization in Canada, renowned for providing comprehensive, high-quality care to the communities we serve. With a commitment to advancing health through research, education, and patient care, HHS operates a network of hospitals and healthcare facilities, employing a diverse team of healthcare professionals dedicated to improving health outcomes.

Hamilton Health Sciences is seeking enthusiastic and motivated individuals for our HHS Internship Program. This program offers a unique opportunity to gain hands-on experience in a dynamic healthcare environment, working alongside seasoned professionals in various departments. Interns will contribute to meaningful projects, develop essential skills, and gain insights into the operations of a leading healthcare organization.

Responsibilities

- **Departmental Support:** Assist in various administrative and clinical tasks within assigned departments, including patient care, research, administration, and support services.
- **Project Management:** Participate in and contribute to ongoing projects, ensuring timely completion and adherence to organizational standards.
- **Data Analysis:** Collect, analyze, and interpret data to support departmental initiatives and improve operational efficiency.
- **Research Assistance:** Support research activities, including literature reviews, data collection, and analysis, under the guidance of senior researchers.
- **Patient Interaction:** Engage with patients and their families, providing information, support, and assistance as needed.
- **Professional Development:** Attend training sessions, workshops, and seminars to enhance professional skills and knowledge in the healthcare field.
- **Collaboration:** Work collaboratively with multidisciplinary teams to achieve departmental goals and improve patient care services.

Qualifications

- Currently enrolled in or recently graduated from a recognized post-secondary program in healthcare, life sciences, business administration, or a related field.
- Strong interest in healthcare and a desire to learn about various aspects of a healthcare organization.
- Excellent communication and interpersonal skills.
- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).

- Ability to work independently as well as part of a team.
- Strong organizational and time management skills.
- Demonstrated problem-solving abilities and attention to detail.

Job Benefits

- Gain practical experience in a healthcare setting.
- Work with and learn from experienced healthcare professionals.
- Develop a deeper understanding of the healthcare industry.
- Networking opportunities within a leading healthcare organization.
- Certificate of completion and professional references upon successful completion of the internship.

Contacts

Interested candidates are invited to submit their resume, a cover letter outlining their interest in the internship, and any relevant academic transcripts or certificates. Please apply through the HHS careers portal.

Hamilton Health Sciences is an equal opportunity employer. We are committed to fostering an inclusive and diverse workplace and encourage applications from all qualified individuals.

Join Hamilton Health Sciences and embark on a rewarding journey to advance your career in healthcare. Together, we can make a difference in the lives of our patients and our community.
