IMP Aerospace & Defence Internships Latest Opportunities 2026

Description

At IMP Aerospace & Defence, we believe in nurturing talent and providing aspiring individuals with valuable hands-on experience through our internship programs. We offer dynamic internship opportunities designed to expose students and recent graduates to various aspects of the aerospace and defense sectors. Our internships provide a unique chance to work alongside industry experts, gain practical knowledge, and contribute to meaningful projects that make a difference in the field.

Responsibilities

- Collaborate with multidisciplinary teams on real-world projects related to aerospace engineering, maintenance, modification, or other relevant areas.
- Assist in conducting research, data analysis, and project documentation to support ongoing initiatives within the company.
- Participate in brainstorming sessions, contribute innovative ideas, and engage in problem-solving exercises to address industry challenges.
- Shadow experienced professionals and gain insights into different facets of the aerospace and defense business, including operations, project management, and quality assurance.
- Actively engage in learning opportunities, workshops, and training sessions aimed at enhancing technical skills and industry knowledge.

Qualifications

- Pursuing a degree in Aerospace Engineering, Mechanical Engineering, Electrical Engineering, Computer Science, Business Administration, or related fields.
- Strong academic background with a passion for the aerospace and defense industry.
- Excellent communication skills and the ability to work effectively both independently and as part of a team.
- Proficiency in relevant software tools or programming languages may be required for certain technical internships.
- A proactive and adaptable mindset with a willingness to learn and contribute to meaningful projects.

Job Benefits

- Mentorship from industry professionals and exposure to cutting-edge technologies and methodologies.
- Networking opportunities within the aerospace and defense industry.
- Valuable hands-on experience to complement academic learning.
- Competitive compensation packages and potential career advancement opportunities within the company.

23.12.2026

- **Visit the Company Website:** Navigate to the official IMP Aerospace & Defence website. Look for a dedicated section or page related to careers, internships, or opportunities for students. Often, there will be a specific page for internships or a careers portal where openings are listed.
- **Explore Available Internship Positions:** Browse through the available internship positions to find roles that match your academic background, interests, and career goals. Read the job descriptions thoroughly to understand the responsibilities and qualifications required for each role.
- **Prepare Application Materials:** Prepare your application materials, including a well-crafted resume or curriculum vitae (CV) highlighting your education, relevant coursework, skills, and any previous experience. Tailor your resume to emphasize skills and experiences that align with the internship position you're applying for. You might also need to include a cover letter expressing your interest and explaining why you're a suitable candidate for the internship.
- **Submit Application Online:** Follow the instructions provided on the website to submit your application online. This may involve creating an account, filling out an application form, and uploading your resume, cover letter, and any other required documents. Ensure all the necessary information is provided accurately.
- **Keep Track of Deadlines:** Be mindful of application deadlines for internships as they may have specific timelines for submission. Submit your application well before the deadline to ensure it's considered in the selection process.
- **Follow Up if Necessary:** If there's no immediate response after submitting your application, consider sending a polite follow-up email or making a phone call to inquire about the status of your application. However, be mindful not to overwhelm the hiring team with multiple follow-ups.
- **Prepare for Interviews:** If shortlisted, prepare for interviews by researching the company, understanding its values, goals, and the specific internship role you applied for. Be ready to discuss your skills, experiences, and how you can contribute to IMP Aerospace & Defence.
