Intact Internships 2026 / 2027 – Jobs at Intact Financial Corporation

Description

Intact Financial Corporation is Canada's largest provider of property and casualty insurance. With a commitment to innovation, customer satisfaction, and operational excellence, Intact aims to help its customers protect what matters most. We foster a dynamic and inclusive work environment, offering exciting career opportunities for individuals looking to grow and develop in the insurance industry.

At Intact Financial Corporation, our internship program provides students with the opportunity to gain valuable, hands-on experience in a variety of areas within the insurance and financial services sectors. As an intern, you will be involved in meaningful projects, collaborate with experts in the industry, and receive guidance and mentorship to help you launch a successful career.

Responsibilities

- Assist in daily operations and support key functions within your assigned department (e.g., underwriting, claims, finance, risk management, marketing).
- Contribute to research and analysis projects, providing data insights and recommendations.
- Collaborate with team members to create reports, presentations, and documentation.
- Engage in problem-solving and contribute to process improvement initiatives.
- Participate in departmental meetings and company-wide networking events.
- Support client-facing activities, such as customer inquiries and processing claims (depending on the role).
- Continuously develop professional skills through training and mentorship.

Qualifications

- Current student or recent graduate (preferably in business, finance, economics, actuarial science, or a related field).
- Strong analytical and problem-solving skills.
- Proficiency in Microsoft Office Suite (Excel, PowerPoint, Word).
- Excellent written and verbal communication skills.
- Ability to work effectively both independently and as part of a team.
- Detail-oriented, organized, and proactive.
- A passion for learning and developing a career in the insurance and financial sectors.
