Manulife Internships 2026 Latest Opportunities

Description

Manulife is a leading international financial services group that provides financial advice, insurance, as well as wealth and asset management solutions for individuals, groups, and institutions. We operate in Canada, the United States, and Asia under the Manulife and John Hancock brands. With a commitment to improving lives through the power of financial security, we aim to build a sustainable future for our customers and communities.

At Manulife, we offer exciting internship opportunities to talented individuals who are passionate about financial services, technology, and innovation. Our internships provide hands-on experience and exposure to various areas within the business, including finance, investment, technology, risk management, customer service, and more. You will have the chance to work alongside industry leaders, contributing to impactful projects while developing your skills for future career success.

Responsibilities

- Collaborate with cross-functional teams to support ongoing projects, processes, and business operations.
- Conduct research, analyze data, and provide insights to help shape business decisions.
- Assist with day-to-day operations, including document preparation, reporting, and administrative tasks.
- Participate in brainstorming sessions, meetings, and company events.
- Take part in the development of new strategies and solutions to meet company goals.
- Learn about Manulife's business, culture, and products through mentoring, training, and networking opportunities.
- Present findings and recommendations to managers and colleagues in a clear and concise manner.

Qualifications

- Currently pursuing an undergraduate or graduate degree in business, finance, economics, computer science, or a related field.
- Strong analytical and problem-solving skills.
- Excellent verbal and written communication skills.
- Ability to work both independently and as part of a team.
- High level of initiative and enthusiasm to learn.
- Proficiency in Microsoft Office Suite (Excel, Word, PowerPoint); experience with financial modeling or data analysis software is a plus.
- Demonstrated interest in the financial services industry, with a focus on innovation and technology.

Job Benefits

- Gain practical, hands-on experience in a global financial services company.
