- Collaborate with teams to support clients in various industries by contributing to project deliverables and client meetings.
- Participate in research, data gathering, and analysis to support the development of client recommendations and solutions.
- Gain hands-on experience with accounting software, tools, and methodologies used within the firm.
- Shadow and learn from experienced professionals across different service areas, including tax, assurance, consulting, and more.
- Contribute innovative ideas and perspectives to problem-solving and client engagements.
- Engage in professional development opportunities, workshops, and training sessions organized by MNP LLP.

Qualifications

- Currently pursuing a Bachelor's or Master's degree in Accounting, Finance, Business Administration, or a related field.
- Strong academic performance and a genuine interest in pursuing a career in accounting or consulting.
- Excellent analytical, communication, and interpersonal skills.
- Ability to work collaboratively in a team environment and adapt to fast-paced work environments.
- Proficiency in Microsoft Office Suite; familiarity with accounting software is an asset.
- Prior internship experience or involvement in relevant extracurricular activities is advantageous.

Job Benefits

- Hands-on learning experience in a professional setting.
- Mentorship and guidance from seasoned professionals.
- Exposure to diverse client projects and industries.
- Networking opportunities within the firm and the broader business community.
- Potential for career advancement and consideration for full-time employment upon successful completion of the internship.
