Mpumalanga Department of Public Works: Learnerships 2026 New Hiring

Description

We are seeking enthusiastic and dedicated individuals to join our Learnership program, which is designed to provide practical training and workplace experience in various fields within the public works sector. This learnership offers a unique opportunity for young, ambitious individuals to gain valuable skills and work experience, contributing to their personal and professional growth.

Responsibilities

- Participate in a structured learning program that combines practical work experience with theoretical training.
- Acquire relevant knowledge and skills in your chosen field of interest, which may include but is not limited to civil engineering, project management, architecture, and more.
- Assist in various projects, tasks, and activities under the guidance of experienced mentors.
- Attend and actively engage in classroom-based learning sessions.
- Comply with workplace policies and procedures.
- Complete all required assignments, assessments, and projects.
- Collaborate with colleagues and supervisors to gain a comprehensive understanding of the department's operations.

Qualifications

- South African citizenship.
- Minimum educational qualifications as specified for each learnership program.
- A strong desire to learn and grow in your chosen field.
- Good interpersonal and communication skills.
- Self-motivation and a commitment to professional development.
- Ability to work well in a team and follow instructions.

Job Benefits

- Practical work experience in a government department.
- A structured learning program with theoretical and practical components.
- A monthly stipend to support your living expenses.
- Opportunity to acquire valuable skills and knowledge in your chosen field.
- The possibility of future employment within the department, based on performance and available vacancies.
