Description

OpenText is excited to offer internship opportunities for talented and motivated individuals who are eager to kick-start their careers in the dynamic field of information management and technology. Our internship program provides a unique and enriching experience, allowing interns to collaborate with industry experts, work on real-world projects, and contribute to the success of a global technology leader.

Responsibilities

- **Project Collaboration:** Engage in hands-on projects that contribute to OpenText's business objectives. Collaborate with cross-functional teams to gain exposure to various aspects of the organization.
- **Learning and Development:** Participate in training sessions, workshops, and mentorship programs designed to enhance your skills and knowledge. Take advantage of opportunities for continuous learning and professional growth.
- **Innovation and Creativity:** Bring fresh perspectives to the table and actively contribute ideas to drive innovation. Work on challenging assignments that encourage creative problem-solving and critical thinking.
- **Networking Opportunities:** Build relationships with professionals in the industry and fellow interns through networking events, social activities, and mentorship programs. Leverage these connections to expand your professional network.
- **Skill Enhancement:** Develop technical and soft skills relevant to your field of study. Gain exposure to cutting-edge technologies and industry best practices.

Qualifications

- Current enrollment in a relevant undergraduate or graduate program.
- Strong academic performance and a passion for information management and technology.
- Excellent communication and interpersonal skills.
- Proactive attitude with a willingness to learn and take on new challenges.
- Ability to work independently and collaboratively in a team environment.
- Flexibility to adapt to a fast-paced and dynamic work environment.

Job Benefits

- **Hands-On Experience:** Gain practical, real-world experience working on projects that directly contribute to OpenText's business objectives. Apply theoretical knowledge from your academic studies in a professional setting.
- **Professional Development:** Access a range of training sessions, workshops, and mentorship programs designed to enhance your skills and knowledge. Receive guidance from industry experts and experienced professionals throughout your internship.
- **Networking Opportunities:** Build valuable connections with professionals in the industry, fellow interns, and OpenText employees through networking

events, social activities, and mentorship programs. Expand your professional network for future career opportunities.

- **Innovation and Creativity:** Engage in a culture that encourages innovation and creativity. Work on challenging assignments that foster creative problem-solving and critical thinking, contributing to your personal and professional growth.
- **Skill Enhancement:** Develop both technical and soft skills relevant to your field of study. Acquire exposure to cutting-edge technologies and industry best practices, positioning yourself for success in your future career.
- **Global Exposure:** Depending on the location and nature of your internship, experience a global work environment with opportunities to collaborate with teams and projects on a global scale.
- **Flexibility and Adaptability:** Acquire the ability to work independently and collaboratively in a fast-paced and dynamic work environment. Develop adaptability and flexibility skills that are crucial for success in the ever-evolving technology industry.
- **Resume Building:** Enhance your resume with a reputable internship experience at a global technology leader. Showcase your contributions to real projects and demonstrate your value to potential future employers.
- **Equal Opportunity Employer:** OpenText is committed to diversity and inclusion. As an equal opportunity employer, we encourage candidates from diverse backgrounds to apply, fostering an inclusive workplace environment.
- **Potential for Full-Time Opportunities:** Some interns may have the opportunity to be considered for full-time positions based on their performance and the availability of positions within the company.

Contacts

Interested candidates should submit their resume, cover letter, and any additional application materials through our online application portal. Be sure to highlight relevant coursework, projects, and extracurricular activities that demonstrate your qualifications and interest in the information management and technology industry.
