Seneca College Internship 2026 / 2027 New Job Application

Description

Seneca Polytechnic is a leading educational institution committed to providing students with hands-on experience and practical skills that prepare them for the workforce. As an integral part of Seneca College, we strive to foster innovation, creativity, and professional development in our students.

We are seeking a dynamic and organized individual to join our team as a Seneca College Internship Program Coordinator. In this role, you will be responsible for overseeing the coordination and administration of the Seneca College Internship Program, ensuring a seamless experience for both students and partner organizations.

Responsibilities

- Collaborate with faculty and staff to identify internship opportunities aligned with students' academic goals and career interests.
- Serve as the primary point of contact for students participating in the Seneca College Internship Program, providing guidance and support throughout the internship process.
- Develop and maintain relationships with a diverse network of partner organizations to facilitate internship placements for students.
- Coordinate internship logistics, including orientation sessions, site visits, and evaluations, to ensure a positive and meaningful experience for all stakeholders.
- Monitor student progress during internships, addressing any concerns or issues that may arise in a timely and professional manner.
- Collect feedback from students, employers, and faculty to continually improve the internship program and enhance its impact.
- Collaborate with the career services team to integrate internship experiences into students' overall career development plans.

Qualifications

- Bachelor's degree in a relevant field required; Master's degree preferred.
- Previous experience in higher education, student affairs, or related fields preferred.
- Strong organizational skills with the ability to manage multiple tasks and priorities effectively.
- Excellent communication and interpersonal skills, with the ability to interact professionally with students, faculty, staff, and external partners.
- Knowledge of experiential learning principles and best practices in internship program management.
- Ability to work independently and as part of a team in a fast-paced and collaborative environment.
- Proficiency in Microsoft Office Suite and other relevant software applications.
